Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

Funding expenditures were delayed when our former Nurse Practitioner needed to move out of state to care for her ailing mother. Thus, the forensic medical program had to be halted during the recruitment, onboarding, and training of a new medical provider. Our current Nurse Practitioner was hired in March and completed Phase One of the comprehensive, rigorous training required to identify child abuse in mid-June. She has begun Phase Two of the extensive training which requires the completion of 140 forensic medicals under the strict consultation of the SC
